INFORMATION DISCLOSURE STATEMENT

Dear Sir:

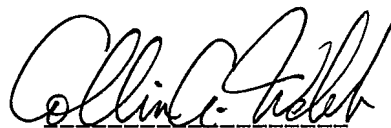

Pursuant to Rule 98, Applicants request consideration of the patent documents listed on the attached PTO Form SB/08A.

The May 25, 2007, Office Action indicates that the IDS filed with the above-identified patent application cited foreign patent documents without including copies of those documents. In response, Applicants submit this IDS citing two of the Canadian documents along with a fee under Rule 1.17(p) and copies of two of the three Canadian documents. The third Canadian patent document, CA1283216, corresponds to EP0215646 and U.S. Patent No. 4,839,854. A copy of EP0215646 is attached in light of the absence of convenient access to the Canadian publication.

The IDS also cites U.S. Patent No. 5,988,862, no copy of which is attached nor is any required.

Applicants' undersigned attorney may be reached in our Norcross, Georgia office by telephone at (770) 776-3472.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Collin A. Webb", written over a horizontal line.
